

POLYURETHANE EQUIPMENT TECHNICAL SUPPORT • REPAIRS • SERVICE • SPARE PARTS

REPAIR SERVICES

PUMP REPAIR - REBUILDING

- Rexroth & RHL Factory Trained Repair Technicians
- We also repair most other brands including Beinlich, Viking and Sam Hydraulik
- We inventory and use OEM parts for reduced turnaround on pump repairs / rebuilds.

MIX HEAD REPAIR - REBUILDING

- Our mix head repair technicians are experienced with all brands including: Linden ■ EMB ■ Krauss-Maffei Hennecke ■ Graco ■ Konal ■ Decker ■ Cannon Gusmer-Admiral ■ OMS/Impianti ■ Hi-Tech ■ MHR TOHO ■ DUT ■ Quality Craft Machine
- Our in-house machine shop combined with inventory of spare parts allows us to minimize turnaround on repair services

FIELD SUPPORT

ON-SITE SERVICE

- Our on-site service specialist typically handle equipment performance issues including:
 - Equipment Repairs
 - Machine Tune-ups
 - Calibraton
 - Electronic Controls
 - Preventive Maintenance
 - Tuning CO₂
 - Troubleshooting a poor mix, voids and product inconsistencies
